**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.Net because they were faster than any other option and definitely the most competitive offer on the market. Prior to Sonic.Net, Gigabit fiber wasn't even an option in my neighborhood! This is a perfect example of how competition is supposed to work. We can't let AT&T or Comcast or any of the old guard stifle competition because they want to hang on to old models at our expense....
